**DECLARATION BY AGENT OF RECORD IN
SUPPORT OF THE PETITION UNDER 37 CFR §1.47(a)**

I, M. Angela Parsons, declare as follows:

1. I have been a Registered Patent Agent for almost 8 years. I have been a Technology Specialist with Fish & Richardson, P.C., P.A. for 6½ years. My business address is 3300 Dain Rauscher Plaza, 60 South Sixth Street, Minneapolis, MN, 55402. I am the Agent of record in the above-referenced application.
2. The above-referenced National Phase application names Samuel J. Shuster, Laura S. Stone, Hong-Yan Zhang, Lucy Vulchanova Hart, and Ulf N.G. Arvidsson as inventors.
3. All of the named inventors executed Assignments to Neuromics Inc., the original Assignee of the above-referenced application. Copies of these Assignments are provided in Appendix A.
4. Neuromics Inc. then assigned the above-referenced application to Algos Therapeutics, Inc., the current assignee. Copies of these Assignments are provided in Appendix B.
5. None of the named inventors are employees of the original Assignee, Neuromics Inc. Neuromics Inc. no longer exists.
6. On September 19, 2005, I sent a copy of the above-referenced U.S. patent application along with a Declaration and a postage-paid return envelope to Ulf N.G. Arvidsson at his last known address (Gardstigen 4, Lidingo, Sweden). On March 24, 2006, I sent a copy of the above-referenced U.S. patent application along with a Declaration and a postage-paid return

envelope to Samuel J. Shuster, Hong-Yan Zhang and Lucy Vulchanova Hart by Federal Express ("FedEx") to their last known address. On April 7, 2006, I sent a copy of the above-referenced U.S. patent application along with a Declaration and a postage-paid return envelope to Laura S. Stone by Federal Express ("FedEx") to her last known address. Copies of these letters are provided in Appendix C.

7. With the exception of Ulf N.G. Arvidsson, each of the named inventors executed a Declaration as required under 37 CFR §1.497(a) and (b) and returned the signed original to me.

8. The FedEx website indicated that the FedEx package that was addressed to Ulf N.G. Arvidsson at his last known address (Gardstigen 4, Lidingo, Sweden) was signed for on September 21, 2005 by one "N. Arvidsson."

9. I began diligently trying to locate Ulf N.G. Arvidsson. I also have firsthand knowledge that my assistant, Ms. Jill Huso, diligently attempted to locate Ulf N.G. Arvidsson. I have firsthand knowledge that we both attempted to find any current contact information for Ulf N.G. Arvidsson using a number of different Search Engines and Web pages on the Internet including a Google® and a Yahoo® search of 'Ulf N.G. Arvidsson'. The search was repeated recently, again without success, and copies of the first 10 or 11 hits from each of those searches are provided in Appendix D.

10. The search identified documents containing 'Ulf N.G. Arvidsson' or variations thereof. Among the documents identified in our internet search was a PCT published application in which Ulf N.G. Arvidsson is a named inventor. None of the documents identified in our search provided any updated contact informant for Ulf N.G. Arvidsson. We did not find anything that indicates where Ulf N.G. Arvidsson currently might be residing and/or employed.

11. At my request, Mr. Jeffrey Bois, Library Operations Supervisor with the Fish & Richardson Library Department, performed a search for Ulf N.G. Arvidsson. One of Mr. Bois' searches was of the Choicepoint Public Records database. The results of those searches are attached in Appendix E. The sources used in the database are shown on pages 5 and 6 of Appendix E.

12. Results from Mr. Bois' search of the Choicepoint Public Records database indicated a St. Paul, Minnesota address for Ulf N.G. Arvidsson. According to the database, this information was last updated in 1999.

13. Another search by Mr. Bois using the Google® search engine indicated that an Ulf Arvidsson was employed by KTH and/or the Karolinska Institute. See copies provided in Appendix F and G, respectively.

14. I personally called the number shown for Ulf Arvidsson at KTH (see Appendix F). I personally talked to an Ulf Arvidsson, who informed me that he had never lived in the United States and had never worked for Neuromics, Inc. at any time.

15. I personally called the number shown for Ulf Arvidsson at Karilinka Institute (see Appendix G). I talked to an unidentified, non-English speaking woman who, when I asked for Ulf Arvidsson, gave me a different number to call within the Karolinska Institute. I called the telephone number she provided a number of times. Each time I called, I talked to a receptionist, who paged Ulf Arvidsson. Ulf Arvidsson never answered any of the pages. Copies of these telephone records are attached in Appendix H. As these calls to Sweden were made from my home telephone, I have redacted the personal information on the telephone bill that is not relevant to my attempts to find Ulf N.G. Arvidsson and my Declaration as such.

16. In addition to the telephone calls, I sent two e-mail messages to Ulf N.G. Arvidsson's last known e-mail addresses on March 3, 2005, March 28, 2005, and again on March 14, 2006. The e-mail addresses were based on the search results shown in Appendix G and based on an e-mail address provided to me by the above-referenced receptionist. Copies of those e-mails are attached in Appendix I. Although I requested a reply whether or not the recipient was the individual I was looking for, I did not receive a response to any of the e-mails. At the time of filing this Declaration, I still have not received a response to any of the e-mails.

17. I have firsthand knowledge that all of my attempts to reach Ulf N.G. Arvidsson who is a named inventor on the above-referenced application were unsuccessful. I have firsthand knowledge that the attempts by others, including Ms. Jill Huso and Mr. Jeffrey Bois, to find Ulf N.G. Arvidsson were unsuccessful.

18. As noted above, the undersigned has talked to one Ulf Arvidsson. The Ulf Arvidsson I talked to was not the Ulf N.G. Arvidsson who is a named inventor on the above-referenced application. The undersigned believes that all reasonable efforts to locate any other Ulf N.G. Arvidsson have been exhausted.

19. That all statements made of my own knowledge are true, and that all statements made upon information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of this application or any patents issued thereon.

*Discovery PLUS! with VIN - Multiple Credit Header Sources

With access to billions of records, Discovery PLUS! with VIN gives you a comprehensive report with just one search. From the listing of an individual's most current address, to an in-depth profile of property ownership, corporate affiliations, Bankruptcies, Liens, and Judgments. Discovery PLUS! with VIN also verifies personal identifiers and lists 3 possible relatives. Plus, IF WE FIND NOTHING, YOUR SEARCH IS FREE!

WHAT INFORMATION IS CONTAINED IN DISCOVERY PLUS!?

This report accesses three credit header sources and Composite Info to locate a person's most current address and identifying data. In fact, for one low price, Discovery PLUS! starts with a subject's name and addresses and then links the individual to public record filings based on matching name and address or state of filing in just one step.

WHAT IS THE SOURCE OF THE DATA?

Discovery PLUS! with VIN accesses billions of records to give you a complete, comprehensive report. Information is obtained from the following databases:

DATA SOURCE	PURPOSE
*All 3 Major Credit Bureau Headers (National Consumer Reporting Agencies)	-to locate addresses, phone#, SSN, date/year of birth, neighbors and possible relatives
*Composite Info (Collected from state agencies and a proprietary source)	-to locate addresses, date of birth, DL# and status, SSN, neighbors and possible relatives
*Phone Listings	-to locate addresses and phone #s
*White Pages	-demographic information, additional addresses, phone number
*Real Property/Ownership/Transfers	-to list property owned by subject and identify owner(s) of subject's current and previous residence
*Bankruptcies, Liens & Judgments	-to uncover derogatory public filings and identify individual and/or business affiliations
*Corporations & Limited Partnerships	-to identify subject's affiliation with corporations in the state(s) of current or previous residence
*UCC Filings	-to uncover any UCC filings and identify individual and/or business affiliations
*US Coast Guard Watercraft	-to obtain information on any vessels registered to subject (at least five net tons; approx. 27')
*FAA Aircraft Ownership	-to list any aircraft owned by subject
*FAA Airmen Directory	-to identify if subject is a licensed pilot
*National Death Locator	-identify if subject has been

reported as deceased to Soc. Sec.
Admin

*Vehicle Ownership Information (VIN) -to identify vehicles linked to the subject's name at the most current address

***Note: At the end of a Discovery PLUS! with VIN report, ChoicePoint links the subject's name and most current address to our VIN datasource to obtain household vehicle information. If no record is found at the most current address and the subject has lived there less than 18 months, the second address is also searched. The year, make, vehicle ID number and registered owner name will be displayed for no additional charge.

Selecting a VIN will provide VIN detail info at an additional charge. Data is available via a gateway. Down times are as follows:

Scheduled: 3rd Sunday of the month from 7:00 AM - 7:00 PM ET

Emergency: Monday through Friday from 3:00 AM - 6:00 AM ET

HOW OFTEN IS THE INFORMATION UPDATED?

*Credit Header 1	-No longer updated
*Credit Header 2 & 3	-Continuously/Real-time, Weekly, or Quarterly depending on the source
*Composite Info	-No longer updated
*White Pages	-Monthly

OR Register at www.Sprint.com to view and manage your account online.

Please include your name, account number, the specific question or comment about the bill, and the dollar amount of the item(s) in question. We assure you we will respond to your letter as soon as possible.

While the item(s) in question are being investigated, you do not have to pay them; however, the amount not in question is still due and payable upon receipt of your bill.

Periodically, you may see charges appear on your invoice covering a prior period that, for various reasons, were not previously billed. Extended payment terms may be available on certain backbilled or late-billed charges. Contact Sprint for details.

DISPUTED CHARGES: You may withhold a disputed charge for interstate or international service if you provide Sprint with a written description of your dispute by the invoice due date. Otherwise, you must pay the amount due and may pursue your dispute by following the dispute resolution procedure outlined in Sprint's Terms and Conditions of Service that may be found at www.sprint.com/ratesandconditions. You may also obtain a copy of Sprint's Terms and Conditions of Service by writing to the address listed above, or by calling the Customer Service number shown on page one of this bill. Refer to this same Customer Service number for billing dispute questions.

NOTICE OF JURISDICTION: If you are a Sprint residential customer, the jurisdiction for disputes will be governed by the dispute resolution procedure outlined in Sprint's Terms and Conditions of Service at www.sprint.com/ratesandconditions. Pursuant to K.S.A. 60-308 (b) (1), as a business customer, you may be subject to jurisdiction in Kansas for any dispute relating to your telephone service with Sprint. This is because you have arranged for or continued to receive phone service managed, operated or monitored in the State of Kansas.

CREDIT / PREPAYMENT: If your credit or payment history is unsatisfactory to Sprint or your credit does not support the amount of Sprint services you use, Sprint may require you to make a prepayment or provide other security. Sprint will not request a prepayment that exceeds the estimated charges for six months of service. If you terminate Sprint service, Sprint will apply your prepayment to any unpaid bills for service and refund any remaining balance to you. If you make a prepayment, you still must pay your invoices as required in the Sprint's Terms and Conditions of Service that may be found at www.sprint.com/ratesandconditions.

CUSTOMER REQUEST FOR DISCONNECT: Sprint will disconnect your service within 30 days after receiving your request for disconnect, or such shorter term and under such conditions as may be required by your Public Utility Commission.

CHANGE OF ADDRESS OR ACCOUNT HOLDER NAME: Address changes may be noted on the form found on the back of page one of this bill or by calling Customer Service at the number shown on page one of this bill. If account name changes are necessary, please call the Customer Service number shown on page one of this bill.
